

# Training Institute

## July 23 - 26, 2012

### WHO CAN BECOME A TRAINER?

#### Administrators, teachers, therapists, or COTAs

who have completed a one or two day S'cool Moves workshop and have used S'cool Moves for at least one year are invited to complete our training institute to become certified to present high quality workshops for staff members. Clinic or learning center owners need to attend the institute to ensure proper use of S'cool Moves copyrighted materials. District trainers may have the opportunity to become regional, state, national, and international trainers based on positive district evaluations. It is essential that potential trainers be good public speakers who can think on their feet and remain calm in stressful situations.

### WHY SHOULD I ATTEND?

- Reduce staff development costs by having an on-site certified S'cool Moves trainer\*
- Bring current brain research and sensory-based teaching to your staff
- Enhance differentiated instruction
- Incorporate S'cool Moves into your RtI models to improve student success
- Increase collaboration between teachers, therapists, parents, and support staff

\*S'cool Moves materials will need to be purchased to provide training, however, overall training costs are reduced by not having to pay presenters and cover travel expenses

### CAN I EARN UNITS?

Yes! Earn three units of 800 level coursework through Chico State University, Chico, CA

(Additional cost of \$180.00 payable directly to Chico State; details at class. Unit acceptance varies so check with your district for approval.)

## Travel and Lodging Arrangements for Training Institute July 23 - 26, 2012

### LODGING

The conference is at the Holiday Inn. We recommend that you stay at either the Holiday Inn or the Oxford Suites which is directly across the street from the Holiday Inn.

Holiday Inn  
1900 Hilltop Drive  
Redding, CA 96002-0211  
530.221.7500

**Room Rate: \$84.00 (plus tax)**

Oxford Suites  
1967 Hilltop Drive  
Redding, CA 96002-0211  
530.221.0100

**Room Rate: \$109.00 (plus tax)**

- ✦ Oxford Suites offers a complimentary hot breakfast and happy hour snacks.
- ✦ Ask for S'cool Moves room rate when booking.
- ✦ July is Redding's peak tourist time, so please book early to ensure a room!

### TRAVEL

There is a Redding airport, however, you'll need to take a taxi or get a car to go from there to the motel (15 minutes away). If you fly into Sacramento, prices are more reasonable and there is a shuttle service from the airport to the Oxford Suites for \$50.00 per person/one way (double check pricing as prices may have changed). Visit [www.firstclassshuttle.net](http://www.firstclassshuttle.net) for online booking or call 530.605.0137 direct to book reservations. Research shuttle times to and from the airport BEFORE booking flights. Redding is located 2.5 hours north of Sacramento. It is a straight shot on a wide open freeway (70 mph travel). Redding is rural compared to southern, CA, so picture open fields rather than crowded cities. You will need to leave Redding on the 27th. There will not be flights out with shuttle the evening of the 26th after class (very doubtful!).

### RECREATION

Redding is HOT in July. Come prepared to wear light clothing and swim evenings in the pool at the Oxford Suites or Holiday Inn. It is a dry heat, though, so the temperature is more tolerable than heat accompanied by humidity. Bring a sweater for comfort at the Holiday Inn (when the air is on, it's cool and when it goes off, it's warmer) and evenings. A coat won't be necessary. Redding has miles and miles of walking trails by the Sacramento River. There is access to the trails from Hilltop, where the motel is located, but it is a bit of a walk to get to the trails.

### DINING

There are many restaurants within walking distance from Oxford Suites and the Holiday Inn. Oxford Suites provides a lovely hot breakfast and evening social hour. A nutritious sit down lunch is included daily for workshop attendees.

### IMPORTANT! DON'T STUFF YOUR SUITCASE FULL!!

Allow room in your suitcase to bring home S'cool Moves materials! We will mail your box of materials home to you for \$10.00 if you do not have room in your suitcase.
