**Recoup your financial investment  
 in one Rolling Into Reading class!**

Earn \$4000.00 for the first class you offer!!! Here is the math: 10 students x 400.00 for Rolling Into Reading class. In only 2 hours a week for 8 weeks, your gym may see immediate profits. The return on your investment keeps growing with each class you offer. Rolling Into Reading lesson plans and DVD covers several different classes to add to your gym offerings. Only those gyms who purchase our kit may use the title "Rolling Into Reading." Be the first in your area to offer these outstanding classes. Each day you delay purchasing your kit is money your gym is losing.

When your gymnasts are ready for that next level challenge, add *Focus Moves 3*. It's perfect for older students and those who have mastered level 1 and 2 courses.
