

RESPONSE TO INTERVENTION MODEL

ACADEMIC CURRICULUM

BEHAVIORAL SYSTEMS

TIER III

Intensive Individualized Intervention

1-5% of students

- Use IMAS* and screening tools recommended by team specialists
- S'cool Moves for Learning text for in-depth activities

TIER II

Small (targeted) Group

5-20% of students

- Power Up! Desktop Activities
- Focus Moves Posters: beginning, intermediate, and advanced levels
- Minute Moves routines
- 1:5 ratio with trained teacher
- Use Sensory Processing Measure or Sensory Processing profile

TIER I

Universal/Whole Class

80-90% of students

- Minute Moves routines with all students
- Focus moves posters may be added to classroom transitions and PE programs
- Use RTI accountability tools to measure growth for targeted students

Increase frequency, duration, and intensity with each tier.

*Integrated Motor Activities Screening (IMAS) is being revised. The older version is available through S'cool Moves on a limited basis.
